

**Proposed Changes to
The Resolution of the Adirondack Park Agency on
Delegating Certain Powers and Responsibilities
4/24/2017**

III. GENERAL POWERS AND AUTHORITY OF THE EXECUTIVE DIRECTOR

The Executive Director, under the supervision of the Agency Chairperson, shall have authority to exercise the following powers pursuant to the Adirondack Park Agency Act, Freshwater Wetlands Act and the Wild, Scenic and Recreational Rivers System Act, on behalf of the Agency:

- O. To review and approve, pursuant to Section 807 of the Adirondack Park Agency Act and Part 582 of Agency Rules and Regulations, the following proposed amendments to approved local land use programs: (1) minor amendments that add targeted land use controls equivalent to or exceeding those applied by the Agency; (2) amendments adding permitted uses on the primary or secondary compatible use lists in Section 805(3) of the Adirondack Park Agency Act; (3) amendments deleting permitted uses; (4) amendments that conform provisions of the local program with the Adirondack Park Agency Act or Agency Rules and Regulations; and (5) other non-material amendments involving provisions of the land use and development plan as defined in Section 802(29) of the Adirondack Park Agency Act. The Executive Director shall have discretion to refer any such proposed amendments to the Agency for review.
- P. ~~O.~~ To exercise any or all of the authority granted to the staff by the Agency Rules and Regulations or by this resolution.
