SUMMARY AND AUTHORIZATION

Anthony DePalma, Jr. is granted a second renewal of an amended permit, on conditions, which previously authorized the construction of one new single family dwelling in an area classified Rural Use by the Official Adirondack Park Land Use and Development Plan Map in the Town of Johnsburg, Warren County.

This project may not be undertaken, and no transfer deed shall be recorded, until this renewed permit is recorded in the Warren County Clerk's Office. This renewed permit shall expire unless so recorded on or before **XXXX** in the names of all persons listed on the first page hereof and in the names of all owners of record of any portion of the project site on the recordation date.

This renewed permit is void if the project authorized herein is not in existence within four years from the date the permit is recorded. The Agency will consider the project authorized herein in existence upon installation of the foundation of the single family dwelling as described in amended and renewed APA Permit 2006-133AR.

Nothing contained in this permit shall be construed to satisfy any legal obligations of the applicant to obtain any governmental approval or permit from any entity other than the Agency, whether federal, state, regional or local.

AGENCY JURISDICTION

The originally authorized project consisted of the construction of one new single-family dwelling involving greater than five lots created post-1973, a Class B regional project requiring an Agency permit pursuant to § 810(2)(c)(1) of the Adirondack Park Agency Act.

PROJECT SITE AND PROJECT DESCRIPTION

The project site is a 36.7± acre parcel of land located on Garnet Lake Road in the Town of Johnsbury, Warren County, in an area classified Rural Use on the Adirondack Park Land Use and Development Plan Map. It is identified on Town of Johnsbury Tax Map as Section 179, Block 1, Parcel 7. The project site is described in a deed from Richard H. and Agnes P. Waterman to Anthony DePalma Jr. dated November 7, 2006 recorded November 29, 2006 in the Warren County Clerk's Office in Liber 3125 of Deeds at Page 170.

The project as originally proposed and authorized in Agency Permit 2006-133, as amended in Permit 2006-133A, and as renewed in Permit 2006-133AR, has not been undertaken to date. The applicant has requested that the Agency issue a second renewal of the permit to allow the project to be undertaken and completed as originally proposed and authorized. No changes to the project are proposed.

The proposed dwelling is a three story, four-bedroom dwelling (with walkout basement) approximately 800 square feet in footprint. Also included is a detached 800 square foot, single story, two-car garage/workshop. The exterior of the dwelling and garage are to be clad in an earth-toned cedar siding. The proposed development is shown on three plan sheets. The first is a 1" = 30 feet site plan map entitled "Site Plan – DePalma Property" drawn by Jim Hutchins P.E. dated April 23, 2009; last revised April 23, 2009. The plan sheet is stamped "preliminary – not for construction". The second and third plan sheets depict the proposed on-site wastewater treatment system, also prepared by Jim Hutchins. A reduced-scale copy of the site plan is attached as a part of this permit for easy reference. The original, full-scale maps and plans referenced in this permit are the official plans for the project.
