MEMORANDUM

TO: Terry Martino

FROM: Matthew Kendall

DATE: December 9, 2021

RE: MA2021-01 (Town of Warrensburg)

The Adirondack Park Agency received an application for two amendments to the Official Adirondack Park Land Use and Development Plan Map (the Official Map) from the Town of Warrensburg. The request is for two separate areas to be reclassified to Hamlet. Area 1 is approximately 21.9 acres and currently classified as Low Intensity Use. Area 2 is approximately 65.9 acres in size and currently classified as Rural Use.

Staff have reviewed the proposed map amendments and prepared a Draft Supplemental Environmental Impact Statement (DSEIS). A copy of the full DSEIS, including appendices, is included in the Agency's December meeting materials package. Staff is requesting that the Agency Board accept the DSEIS and authorize staff to commence the public input process for this action.

Staff intend to hold one public hearing. Public comments received at the hearing or in writing will be incorporated into the Final Supplemental Environmental Impact Statement in preparation for when this matter will be brought back to the Board.
