Regards Memo Dated October 27th 2021

Please provide more detail of plans of the Hotel Cambria adjoining our property, the Wildwood on the Lake. Our summer was long and difficult with little to no regard to our paying guests with work starting at 7am, if not before, 5 days a week during our peak season.

We look forward to receiving this in order that we may move forward understanding exactly what will happen and when in order that we may minimize the impact on our property.

Sincerely,

Stuart Hemsley
